RE: Application for Texas Forensic Science Commission Accreditation under Title 37, Texas Administrative Code, Chapter 651.

Dear Dr. Middleberg:

With some exceptions, the Texas Code of Criminal Procedure, Article 38.35, requires Texas Forensic Science Commission (FSC) accreditation as a predicate to the admission of the forensic analysis of physical evidence and expert testimony relating to the evidence in a criminal case.

As the designee of the Texas Forensic Science Commission Presiding Officer, I have considered your application based on your national accreditation from ASCLD/LAB-Intl and grant full FSC Accreditation to National Medical Services for the following disciplines:

*Toxicology*

The term of ASCLD/LAB-Intl accreditation is from 7/1/2015 to 4/16/2019 unless they have extended their accreditation as part of a routine renewal process. **The term of FSC accreditation is from 9/1/2015 until such time that the accreditation from ASCLD/LAB-Intl is no longer current.**

FSC accreditation is contingent upon compliance with Title 37, Texas Administrative Code, Chapter 651, including requirements of reporting correspondence, reports or communication between the laboratory and the accrediting body. FSC accreditation will be automatically rescinded at the same date and time as ASCLD/LAB-Intl withdraws your laboratory accreditation.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Tomlin", written over a horizontal line.

Leigh M. Tomlin  
FSC Accreditation Program Administrator
